Why are you here?
So after cutting all ties with the family, you came to hide here?
Third Brother, what is the meaning of this?
This is none of your business.

The Emperor was furious when you opened the spacio-temporal portal last time.
They will surely come for you soon.

How do you plan to settle this matter this time?

clenches
Ziyuan, I...

collapses

Sorry Third Brother, but I have to bring you back home!

Ziyuan, you really underestimate me!

Third Brother, please return home! Don't make the same mistake again!
Fwshh
Ziyuan, you know that I can't come back,

Just a little more and I'll be with her again...
Please wait for me, Tong

.

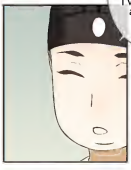
Why is the accounting report so disorganized?

My Lord, please rest a little. I will give you a massage!



Ah, my legs are stiff from standing for so long...
Hey newcomer, come over here and give me a massage.

My Lord, that is my duty!
Alright!

Little brat, you won't make me believe that you're the type to serve others! Hmph!

My Lord, how is this?
So-so!
Why does it look like you're having fun?
I'm thirsty, go get me some tea.
Alright!
I forgot something in my room, go get it!
Okay!
I want some liquor!
My Lord, here's your liquor!

Little brat, it seems that I underestimated how long your patience can last!

Lianlian, ordering me to do all these things... The nerve!

I'll make you pay this back ten fold!

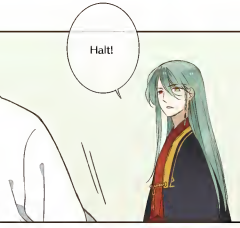
My Lord, His Highness is here to see you.

Let him in!
Eh? The Turtle Prince is here!?
Welcome, Your Highness!

Your Highness.
Who was that just now?
Oh, just a new servant.
A servant?
I came to honour my past promise,
Here are the people you need.

Many thanks, Your Highness.
And if you encounter any problem, feel free to come to me for help.
Clenches!
Your Highness can be assured we will do our best.
What? Could it be that Lianlian is working under that green turtle's authority?
Then I shall now take my leave.

?



Halt!

Oh no!
Yes, Your Highness!

Look up!

Damn... Well, he shouldn't be able to recognise me now that I'm dressed like this. Besides, it was very dark that time...
Your Highness...

I told you to look up, didn't you hear?

!

Hm...
Urgh, just die! Is bullying others so amusing to you?

You look familiar. I wonder, have we met before?

It can't be...

How could an humble servant like me have ever had the honour to meet with His Highness.

Your Highness, what are you doing to my servant?
